

Homestudy Registration Form

INTA's Homestudy Course #3 is designed to give the nail professional a basic skill level in nail art. The techniques described in the course will allow the nail technician to complete the nail art designs in this course and develop his or her own personal nail art. This program is comprised of a multitude of nail art designs and a Home Study program evaluation to be completed by the applicant. The bulk of the Home Study concentrates on re-creating nail art. (This program earns Licensed Illinois Nail Technicians 2 continuing education hours.)
